Will call you in 15 minutes.

We are drafting the opposition to the motion to bar alienation of the house due this Friday. Your personal, emotional and physical condition will be pivotal to support the opposition brief on top of how the buyer took advantage of the information you had exchanged over telephone calls. So we need your write-ups and timelines as soon as you can provide them. We also need the complaint filed by the real estate broker. We are trying to place the court in your position and support a claim for dolus and lack of consent.
